## UNIVERSAL VANISHING OIL F

**Product Description** **Universal Vanishing Oil F** is a low odor, solvent based evaporating lubricant designed for drawing, stamping and blanking light gage ferrous and non-ferrous alloys. The product is sulfur and chlorine free. The low viscosity results in less carry-off on parts. It is economical and safe to use.

**Applications** The product can be applied by misting, spraying or brushing. Since the solvent evaporates it may eliminate a cleaning step.

**Benefits**

- Suitable for most metals
- Low residue, cleaning may not be required
- Very low carry-off on parts

### Typical Specifications

Appearance	Clear pale
Odor	Mild solvent
Flash Point, T.C.C.	125° F
Weight/Gallon	6.6
Specific Gravity	0.7925
