UNIVERSAL GLOBAL AUTOMOTIVE EXTENDED LIFE ANTIFREEZE Concentrate & 50/50

Universal Auto Global Extended Life Antifreeze is recommended for use in ALL MAKES AND MODELS of foreign and domestic passenger vehicles and light duty trucks. It contains a proprietary formulation of premium corrosion inhibitors that provide extended protection against rust, corrosion and pitting caused by cavitation for all coolant system metals. It also provides excellent protection against temperature extremes, preventing freeze-up and boil-over when used in accordance with OEM and product manufacturer's guidelines regarding product dilution. This product does not impart any color change if mixed with another engine coolant. The superior performance and stability of its premium extended life corrosion inhibitors allows them to go on working well beyond the lifetime of traditional products.

When added to a coolant system after a complete drain, flush and fill, this product provides up to 5 years or 150,000 miles of protection

	Concentrate	50/50
Universal Oil MSDS / Item Number	16-42-05	16-42-06

Always consult your vehicles owner manual for proper fluid recommendations and flushing procedures.
