*Product Information*

## OILKUT SC 17 LIGHT

**Product Description**

**Oilkut SC 17 Light** is a general-purpose metal working oil especially suited for operations where the machining requirements range from moderate to severe. The product contains active sulfur, chlorine and a fat additive that provides extreme pressure and boundary lubrication properties. It provides good tool life, imparts good surface finish and exhibits excellent oxidation stability

**Oilkut SC 17 Light** contains active sulfur, which can stain copper, and it's alloys and should not be used to machine these metals.

**Benefits**

- Light transparent color
- Excellent lubricity and extreme pressure properties
- Increased tool life
- Good surface finish
- Low smoke

### Typical Specifications

|                       |               |
|-----------------------|---------------|
| Appearance            | Clear / Amber |
| Viscosity cSt @ 100°F | 36.30         |
| Viscosity SUS @ 100°F | 169.6         |
| A.P.I. Gravity @ 60°F | 30.0          |
| Wt./Gal               | 7.3           |
| Flash °F              | 370 min.      |
| Sulfur                | Present       |
| Chlorine              | Present       |
| Fat                   | Present       |
